

# St Mary Magdalen's Newsletter

*Letting the Light of Jesus Shine Through*

## Worship Reflections

May God's blessing go with us today,  
At the end of this school year we pray.  
That you keep us safe and give us rest  
So we start again renewed and refreshed.

Full of health, full of fun  
Ready to come and learn again.

May God's blessings await us next year,  
To embrace each new challenge without fear.

Fill this school with your love,  
and guide our hearts from above.  
Full of faith, full of hope,  
Full of joy, and full of love  
Amen.

## Birthdays this week

*Happy birthday this week to: Paige Kay and for everyone who has one over the summer holidays.*

## School Meals

*We will be on **Week 3** of the existing menu when we return after the summer holidays.*

## Pre-School

*Pre-School will start back on Monday 9<sup>th</sup> September 2019, 9am-11am. The first session is a free stay and play session, thereafter it will be £4 per session paid half termly. If your child would like to attend please contact Becky Wells-Earp by text on 07758882722.*

As we come to the end of another super year at St Mary Magdalen's I would like to say a huge thank you to you, the parents, for all your help and support. I do know how lucky I am to have such a supportive parental community. Your positivity about school is reflected in your children when they come bounding through the gates every morning.

For those of you who have children leaving our school tomorrow please take time to reflect on what a great job you have done in getting your children to be the super little citizens they are now. Obviously we have the staff to thank for their input and talent which has nurtured their intelligence, their creativity and their confidence. However, we are very much a partnership and I think the success of our relationship shows in the children.

Enjoy all the memories tomorrow but remember that they are ready turn over and start on the next page.

Have a wonderful summer.

Mrs Gallagher

## Merit Winners

### *Congratulations this week to:*

Year R – **Eva Parkinson** for being a kind and very helpful member of our class & **Seb Mountford** for trying so hard in everything he does.

Year 1 – **Corin Doherty** for being a pleasure to teach & **Alicia Maduka** for listening and working hard.

Year 2 – **Scarlet Holmes** & **Charlotte Brown** for wonderful creative story writing 'one day, I woke up and I was my .....'

Year 3 – **Phoebe Kolacz** for fabulous reading & **Jaiden Bates** for wonderful reading.

Year 4 – **Jeffrey Asa** for being a super role model in Year 4 & **Claudia Howarth** for always trying her best and never giving up.

Year 5 – **Grace Bly** for being an absolute super star and helping to keep our classroom ship-shape & **Florence Chappell-Matthews** for showing such a great level of empathy and maturity within her friendships.

Year 6 – **Melissa Dixon** for her positive and bubbly nature around school, **Alex Vokes** for believing in himself and reaching his potential and **Mia McCooke** for her calm, mature and responsible approach to the end of Yr6.

### Back by popular demand:

#### 'Magdalen's Marvellous Mathematicians Summer Sumdog Competition'

Over the summer holiday see how accurate you can be at answering maths questions on the fun ICT games. These questions will be designed to be at your level, the more you get right, the harder they will get! For those of you who have never played before the first 50 questions or so will be too hard for you. The computer is just working out what level you are. Once you are awarded a pet, then the questions will then be at your level. Don't be afraid to get questions wrong if you cannot do them, as this makes the game give you easier questions that you can attempt. Year 1-6 should already know their user name and password. If you have forgotten these, then please ask your teacher for it. Reception children will have already been sent a letter home with these on. You will not need a school code, if it asks for one then please reload the website, [www.sumdog.com](http://www.sumdog.com). If you have any problems logging on then please ask either your teacher or myself. The competition starts after school on the last day and finishes on Sunday 1<sup>st</sup> September. If you have a rainy, bored day why not give Sumdog a go? Have fun! Mrs Briscoe.
