Collective Worship

Reflection

This week we are celebrating 70 years of our wonderful National Health System.

O God,

We thank you for our healthcare systems and those who work in them. We pray for healthcare workers known to us that through their love and compassion, those who are vulnerable and needy might come to know healing and peace in their lives. We pray for those who have to make difficult decisions about resources or treatments that they will do so with care and integrity. Lord, continue your ministry of healing in the lives of those who are broken, vulnerable and in need. We pray this in Jesus' name. Amen.
