Nurturing Hearts and Minds

Worship Reflection

Climbing any of the world's highest mountains can be tough and dangerous but for some people, it is their goal or dream.

Dear Heavenly Father,

Thank you for the inspiration You give me to dream and to set goals for myself. Setting goals gives me the motivation to live out each day purposefully and with direction. So I pray that You would help me set my goals and then equip me to fulfil them. I submit each and every goal to You. Fill us with your awesome purpose in Jesus' name.

Amen.

Birthdays this week

Happy birthday this week to: Hannah Dexter & Chloe-Falle Brindle.

Key Worker Children Places

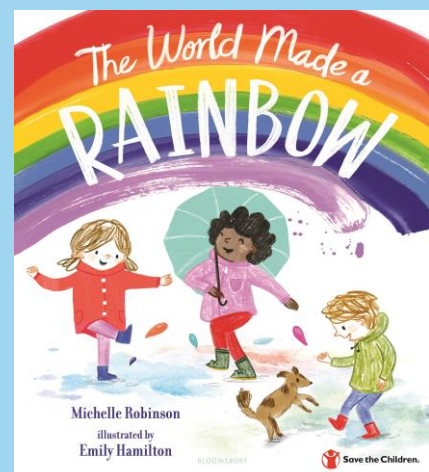

The next form will be sent out on Tuesday 9th February for the key worker children places in school. If possible could these forms please be completed asap but no later than Thursday 11th February?

The form is for the the week commencing Monday 22nd February and Monday 1st March for after we return after the half term holiday.

In our reflection this week we have talked about goals. As a school we have set ourselves the goal of reaching out to isolated people in the community and supplying them with jigsaws. The human contact will probably be as welcome as the jigsaw. Thank you to everyone who has volunteered to donate jigsaws and to help deliver them, you are so kind and I know you will be appreciated. Remember the service is for you too so you can order jigsaws on this [Microsoft form](#).

The Penwortham Foodbank has asked me to bring to your attention that you do not need a referral to receive from the foodbank. It is open to anyone who is struggling and operates from the community centre on Kingsfold Drive every Friday morning. PR1 9EQ. Those of you who order food bags through us at holiday time (no need to reorder this time) will receive their bags next week for half term. We will text you when they arrive.

I have started recording stories again for when you need a quiet ten minutes. This week's story is called The World Made a Rainbow. The teachers will share in Teams. It will be a useful one to discuss with children who are struggling during lockdown.

Take care of each

Mrs Gallagher
