Nurturing Hearts and Minds

Worship Reflection

Farmers have an important job and play a vital role in ensuring we all have food to eat. Like many things, farming has changed over time. As we learn more about sustainability, and as technology improves so will the ways we farm.

God of plenty,

We celebrate the beauty of the harvest. We delight in the systems and structures that exist, allowing us to feel the benefit of food security. Help us to improve these systems, to share the manna you provide, as we work to end hunger, achieve food security with improved nutrition, and promote sustainable agriculture.

Amen.

Birthdays this week

Happy birthday this week to: Ava Hooton & Ciaran Lester

Clothes Bank

Please remember the clothes bank at school if you are having a clear out of old clothes, shoes bags etc in the near future. We receive money for the school from any donations.

Levy Fund

We are still accepting voluntary donations of £10 per family for the Levy fund. Thank you.

Lunch menu next week – Week 3

Photographs

Tempest came in yesterday and took individual photographs and class ones. They will be lovely as we did them in the garden. At the moment we do have a number of children isolating so Tempest have kindly agreed to pop back next Wednesday afternoon for a very short session to mop up those that missed it. We will do sibling groups next time they are in as it was difficult to do with the separate bubbles. However, we did manage to do it for all those who had siblings in Year 6 as it was the last opportunity.

Welfare position

At the end of term Mrs Wadsworth one of our welfare ladies will be retiring so we have a position advertised on our website at the moment. It is a wonderful opportunity for someone to join our lovely staff team. Please follow the link below for details.

[Welfare position.](#)

Thank you

The final total for the sponsored jog was £3,861. The last jog raised £951 so you can see why we are so bowled over. Your generosity has made us quite ambitious for what we could achieve together. We would love some kind of outdoor classroom on the field that could be multi functional. For example, a reading café at lunchtime, a place to work on garden, eco and science projects, a base for pre school, and Children's Club and Holiday Club on nice days, a place to serve refreshments at field events. I am going to try and raise money from grants too. It may take some time but it is good to dream big. Thank you again for your amazing support.

Mrs Gallagher

Merit Winners – Congratulations this week to;

Year R	Lola Mongan	<i>For always being kind and helpful to everyone in class.</i>
	Harry Scholes	<i>For making great observations about our ducks as they grew up.</i>
Year 1	Sennen Dawson	<i>For always being a responsible and reliable helper in class.</i>
	Poppy Bolton	<i>Excellent work when making up our own rhymes</i>
Year 2	Charlie Mattison	<i>For working hard and making big improvements with addition</i>
	Lyla Mountford	<i>For always working hard and giving maximum effort in every subject</i>
Year 3	Leisel Doherty	<i>For creating a super fact file all about The Romans</i>
	Lingyi Zhou	<i>For working hard, answering well and having a positive attitude to learning</i>
	Finn McMullan	<i>For super hard work in Maths!</i>
Year 4	Rio Haigh	<i>For writing super reflective prayers during R.E</i>
	Scarlett Holmes	<i>For always being a kind friend to others</i>
Year 5	William Walker	<i>For encouraging and motivating others during our Science experiment</i>
	Henry Burgess	<i>For showing enthusiasm throughout our Dance lesson with Louise.</i>
Year 6	Oliver Parkinson	<i>For amazing contributions to numeracy and literacy, an all-round super star</i>
	Maisie Warbrick	<i>For showcasing and sharing her gymnastics talent with the class in P.E.</i>
